

LIFT FOILS 2025

MW
MALLORCA WATERSPORTS

WHAT'S NEW?

New board design: Lighter, surf-inspired designs for effortless control and flow.

No Cables, No Hassel: Drop the battery into place. No hatch, no cables, no stress.

Effortless Setup: Get your board ready within seconds.

Quick, Tool-Free Assembly: No screws needed, just place it and click it.

Simplified design: No latches, hatch top, hinges, cam locks, data cables, or cooling lines.

All the information in your hand: Advanced hand controller to have control of your experience.

Easy prop swapping: With the new LCS system, you will be able to swap your propellers within seconds.
